Medication supplied by you the parent:

Jungle Vites

Bio strath

Viral choice

Calpol

Important: Sun cream or block out!

Due to skin allergies we will only supply cream that you have chosen for your child. This cream must remain at school with your child’s name clearly marked on it. Roland Grunwald and his staff will NOT be held responsible for sun burn when you have not supplied us with a good sun block. Parents are requested to apply sun block on your child every morning before coming to school and we will re-apply when it is swim time and outdoor playtime.
